

CLASSIC SHUGA SCRUB

Virtual Care Card

Apply a generous amount to wet skin in circular motions using hands, loofah or exfoliating gloves.

Scrub skin gently for about 30 seconds. Pay attention to feet, hands, elbows, knees, & other dry, calloused areas.

Rinse thoroughly with lukewarm (not hot) water.

Use any of our whipped shea butters to lock in moisture & nourish the skin.

External Use Only

Under no circumstances should this product be ingested.
